Ignite your Future

with some hilltop magic

Investing in our future talent is key to our success here at Richmond Hill Hotel and an important part of our people culture.

Across our hotels, our work experience programs have engaged countless students, many of whom have returned to us for full-time employment following their studies. Inspiring talent and providing opportunities for those who may not have considered a career in the hospitality industry is really important

to us. We offer an 'à la carte' approach to building connections with our next-generation employees, allowing young people to experience a taste of what it's like to work in the world of hospitality and introducing them to careers they may never have considered. Our range of flexible experiences are listed here.

A Taste Of Hospitality

GROUPS UP TO 15

Experience a full or half day completing a range of practical and fun activities and challenges around various departments, including Housekeeping, Kitchen, Restaurant and Bar Service, Marketing, Maintenance, and Events.

Be Our Guest

GROUPS UP TO 24

Students are invited to join us for a session exploring hospitality, the careers offered and relevant routes to take. This will include an insight into one area of your choice. All presentations are followed by either a tour of both the front and back of house of the hotel or a practical demonstration.

Quiz The Master

GROUPS UP TO 24

Students are involved in a panel "question time" style activity with up to 4 managers to help understand the real "ins and outs" of a career in hospitality. Students can choose the managers in advance and pre-prepare their own questions or devise them from prompts.
